

One-day HoLEP symposium

Holmium Laser Enucleation of the Prostate

18th October 2013

Onze-Lieve-Vrouwekliniek, Aalst, Belgium

"HoLEP can be offered to any patient with BOO and BPE" (EAU Guidelines, Recommendation Grade A)

"HoLEP is an established practice and preferable in many cases to TURP"
(National Institute for Health and Clinical Excellence, NICE, UK)

The **Department of Urology** of the **Onze-Lieve-Vrouwekliniek, Aalst** invites you to the **first HoLEP workshop** to be organised in the **Benelux**. This **one-day practical course** is aimed at those interested in starting a HoLEP programme or in expanding their experience.

The program consists of a mix of **live case surgery** and **practical lectures** on basic laser physics, laser safety and clinical data.
